Nelson Wirtz
Fire-EMS Chief

Steve Foster
Deputy Fire Chief

Tuesday, September 14, 2021

Dear Martha's Vineyard Community Members,

I am writing today to notify you of an upcoming training exercise that will be taking place on **Wednesday, September 15, 2021**. The Oak Bluffs Fire-EMS Department, along with the Edgartown Fire Department, will be participating in a joint fire training exercise that will start at 5:30 PM and last until approximately 9:00 PM.

The location of this exercise will be at **50 Curtis Lane Edgartown, MA 02539**. During the time of our operation, you will see multiple pieces of fire apparatus, firefighters, and other support vehicles. All of these items are vital to our operation and may impede your daily activities or plans. Curtis Lane will be temporarily closed between Fisher Road and Cyprien Way during the training.

As a precaution, our team has worked with local services to ensure that the training exercise has minimal impact on our environment and the air quality surrounding our area. If you should have any questions or concerns, please call me at 508-693-5380. Thank you for your support and understanding.

Sincerely,

Nelson Wirtz
Oak Bluffs Fire-EMS Chief/Emergency Management Director
