

Dear Prospective 4C's/Martha's Vineyard EMT Student,

Thank you for the inquiry in regard to the EMT Program at Cape Cod Community College, Martha's Vineyard Satellite Campus. We are currently accepting and enrolling students for our Summer 2021 EMT Class; we look forward to providing any information we can to assist in the process.

The next EMT class will begin on June 7, 2021. Class will run Monday and Wednesday evenings from 5:30pm-9:30pm with lab scheduled on Saturday days from 9am - 2pm. Currently, all lecture classes will be distributed in online format through Zoom until further guidance from the state. (Most Monday and Wednesday classes are lectures however, a few Monday's and Wednesday's are scheduled as labs; in addition, 2 Thursday online classes will be substituted for the Saturday lab. Once registered we will send the syllabus and handbook to outline the details).

Saturday will be our regularly scheduled Vineyard lab day and will be hosted, in-person on Martha's Vineyard (Edgartown Community Center). Class will end approximately the last week of August, depending upon state practical testing dates.

To enroll in the Summer 2021 EMT Class at Cape Cod Community College (Martha's Vineyard location), please visit the following link and complete the registration form. [https://www.capecod.edu/media/capecodedu/content-assets/documents/registration/Course-Registration-Form\\_11-2019.pdf](https://www.capecod.edu/media/capecodedu/content-assets/documents/registration/Course-Registration-Form_11-2019.pdf)

The easiest way to complete the registration is to download the form and save it to your desktop/laptop or usable device. Once saved, close and reopen the document, fill-out all applicable areas of the form.

The first two sections are demographics. The third area is course registration. Please fill-in areas under the ADD Course section:

- Course Number - EMS 101
- Course Section - 064 (PUTTING 064 AS THE SECTION IS VERY IMPORTANT – THIS PUTS YOU IN THE M/V CLASS NOT THE 4C'S CAMPUS FOR LABS)

- Course Name - EMT
- Days of Week - Monday & Wednesday - 5:30pm - 9:30pm & Saturday 9am-2pm (Use two lines if needed).
- At the bottom of the page please type your name into the Signature box, re-save the form and email to [registration@capecod.edu](mailto:registration@capecod.edu) and [mmalone@capecod.edu](mailto:mmalone@capecod.edu)  
Form MUST GO TO REGISTRATION and cc me as a back-up.

Approximate Tuition and Fees (See 4C's Tuition and Fee Page for further breakdown of Tuition & Fees, as updates do occur): If wanting or needing a payment plan, contact the business office ASAP to set one up. [studentaccounts@capecod.edu](mailto:studentaccounts@capecod.edu) or call 508.375.4123

#### Approximate Resident

- Tuition - \$223/Credit Hour - 5 Credit Course \$1115
- Fees - Health Science Fee- \$37/Credit Hour - 5 Credit Course \$185
- State Practical Testing Fee - \$125 (This fee pays for the state exam held at 4C's after completion of course. Fee is often charged as an extra fee at other locations - practical testing is included as part of our EMT Course)
- Upon registration completion - see EMT Handbook for class textbook and required testing platform – Approximate Cost - \$180 for all materials
- Total Approximate Cost of EMT Course with State Practical Testing included \$1425 + Textbook and testing platform, as noted above.

For questions about the EMT Program contact me by email at [mmalone@capecod.edu](mailto:mmalone@capecod.edu)  
Or 774-330-4438

Thank you and I look forward to answering any questions you may have in regard to the program.

Matt Malone

EMS Program Director
